

Department of Electrical and Electronics Engineering

Academic Year 2018 - 2019 (Even Semester)

Technical Symposium

EEE department organized a Technical Symposium on 02/03/2019.

The following events were conducted

1. Poster presentation
2. Paper presentation
3. Mini project
4. Technical quiz
5. Circuit debugging

Students participated in the above events and prizes were distributed to the winners. The Program also intends to develop the culture in participant's motivation in the relevant field for inculcating learning values in students.
