

WORK SHOP ABOUT ADVANCED TRENDS IN CIVIL ENGINEERING :

Date : 14-08-2015

Venue : ECE Seminar hall

A workshop was conducted in our civil engineering department on 14-08-2015 in the topic “Advanced trends in civil engineering”. The chief guest for this workshop was Prof.S.Sankara Narayanan M.E, Retired Chief Engineer and Visiting professor of Jayamatha Engineering College, Aralvaimolzhi.

The workshop was very commendable and useful to the students. Most of our department students attended the event. The students gathered a lot of information regarding advanced trends in Civil Engineering.

The session includes morning and evening. Various college students attended the workshop.

GUEST LECTURE IN OUR DEPARTMENT

Topic: Personality Improvement

Date: 21-09-2015

Place: Ece Seminar Hall, Svcet, Puliangudi.

Chief guest: Dr.Vijayakumar ML,M.Com, MBA, (Ph.D) , Head of Department
Department of management studies, SVCET, Puliangudi.

Organized by: K.Palanisamy M.E., Head of department, Department of Civil
engg , SVCET, Puliangudi.

In our civil engineering department guest lecture was been conducted under the topic “**Personality Improvement**” by **Dr.Vijayakumar ML.,M.Com., MBA., (Ph.D)**, HOD departement of management studies dated on 21-09-2015.

The guest lecture was very commentable and useful to the students. Most of our department students attended the event. The students gathered a lot of information regarding personality development. The personality is the typical pattern of thinking, feeling, and behaviors that make a person unique. When we say that someone has a "good personality" we mean that they are likeable, interesting and pleasant to be with. Everyone wants to be attractive to others. While we can only enhance our looks to a certain extent, we have the ability to improve the personality as much as we want.

The students can develop or integrate any trait we deem fitting and agreeable. For that they should Identify the Trait, Focus in on a Behavior, Remain Vigilant . It will leads to Build on Success with students.

PARENTS MEETING:

Parents meeting for our II nd and IIIrd year students were conducted on 14-10-2015 and 15-10-2015 by our department. The function was a grand success. Parents meeting for our department was been planned by hod on 14-10-2015 and 15-10-2015. The advisors of each year invited the parents through phone.

Parents meeting for II nd year :

Date: 14-10-2015

Place: Soil mechanics laboratory

Organized by: Baskar Singh . G (Coordinator)

Maria Gilda Mol. R and Manjula Devi .P (advisors)

The parents meeting for II nd year students was conducted on 14-10-2015 at 11p.m in soil mechanics laboratory. From about 60 students About 35 students parents attended the function. Parents shared their ideas on improvement of students.

Parents were shown their wards assesment marks , absentees note and university results and their academic performance.

feed backs from the parents are been collected. Suggestions are asked from the parents for further improvement of their ward.

Parents meeting for III rd year :

Date: 15-10-2015

Place: Soil mechanics laboratory

Organized by: Padmanapan. M (Coordinator)

Kalaivani.K and Muthumari.M (advisors)

The parents meeting for II nd year students was conducted on 15-10-2015 at 11p.m in soil mechanics laboratory. From about 67 students About 25 students parents attended the function. Parents shared their ideas on improvement of students.

Parents were shown their wards assesement marks , absentees note and university results and their academic performance.

feed backs from the parents are been collected. Suggestions are asked from the parents for further improvement of their ward

ALUMNI MEETING:

Date: 15-10-2015

Place: Survey laboratory

Organized by: Mr. Esakimuthu.M (Head of Department)

Alumni meeting for our department alumni students were conducted on 15-10-2015 in our department survey laboratory . The function was a grand success. The alumni's are invited through phone.

For about 25 students attended the function. Most of our alumni's are been placed in various government and private sectors .

A number of commendable suggestions and proposals came up, some of which were approved and the left were set aside for later action. It was decided to strengthen the link between the current students and alumni for their support to current students in the

area of training, placement, career counseling etc. The Meet ended with promise to meet again and everyone bid emotional farewell to each other

GUEST LECTURE IN OUR DEPARTMENT

Topic: Geo Polymer Concrete.

Date: 19-10-2015

Place: ECE Seminar Hall, Svcet, Puliangudi.

Chief guest: Mr.K.Kalai Pandian AP/Civil, Sri Vidya College of Engg& Tech

Organized by: Mr.M.Esakimuthu M.E., Head of department, Department of Civil engg , SVCET, Puliangudi.

In our civil engineering department guest lecture was been conducted under the topic “**GEO POLYMER CONCRETE** ” by Mr.K.Kalai Pandian AP/Civil, Sri Vidya College of Engg& Tech HOD dated on 19-10-2015.

The guest lecture was very commentable and useful to the students. Most of our department students attended the event. The students gathered a lot of information regarding Geo Polymer Concrete.

Inorganic polymer concrete (geopolymer) is an emerging class of cementitious materials that aimed at utilizing one of the most abundant industrial by-products on earth, fly ash (800,000,000 tons per year), as a substitute for the most widely produced man-made material on earth, Portland cement (2,600,000,000 tons/yr).

STUDENT’S ACHEIVEMENT:

Our department final year student **Sabir Mohamed.M** has won first prize in paper presentaion conducted by **V.V College of Engineering and Technology on 28-09-2015.**

Our second year students **Vartha Raja Perumal.B** and **Sakthivel.S** has won first prize in Model display conducted by **Marthandam College of Engineering and Technology on 16-08-2015 .**

Our final year students **Iyammal.S and Rajeshwari.M** has won second prize in paper presentation conducted by **Einstein College of Engineering** on **19-08-2015** .

Student's participation in various colleges:

Our second year students **Ajith Kumar.A and Subburaj.S** has participated in **paper presentation** conducted by **Ramco Institute of Technology** on **28-07-2015**.

Our second year students **Ponraj.M , Mahendran. C, Subburaj.S** has participated in **cad modeling** conducted by **Ramco Institute of Technology** on **28-07-2015**.

Our final year student **Thangadurai.K** has participated in **cad modelling and quiz competition** conducted by **Ramco Institute of Technology** on **28-07-2015**

Our second year students **Vartha Raja Perumal.B** and **Sakthivel.S** has participated in **paper presentation** onducted by **Marthandam College of Engineering and Technology** on **16-08-2015** .

Our second year student **Vartha Raja Perumal.B** has participated in **paper presentation** conducted by **Parisutham Institute of Technology and Science** on **16-08-2015** .

Our second year students **Ponraj.M** and **Ram.Skumar. K.S** has participated in **Graphi Quiz , Plan Your Plan, Cesar Ninjas** conducted by **Alagappa Chettiar College of Engineering and Technology** on **21-08-2015** .
